Into the Woods...and Onto the Stage

June 25th - June 29th

Ages 5K-4th grade

9AM - Noon

This camp celebrates the many fairytale characters that we find in our beloved stories and revolves around the GCT staging of *Into the Woods*. Campers will be involved in many aspects of theatre such as stage performance (music, dance and acting), as well as set and lighting design, and even costume and prop design. It will be a blast with age appropriate activities galore! There will be a showcase culminating the week for campers to share their learning!

\$150 (includes a morning snack!)

Once again...it is back for the summer!!! Our most popular camp:

Magic Tree House - Dinosaurs Before Park

(Performance Camp)

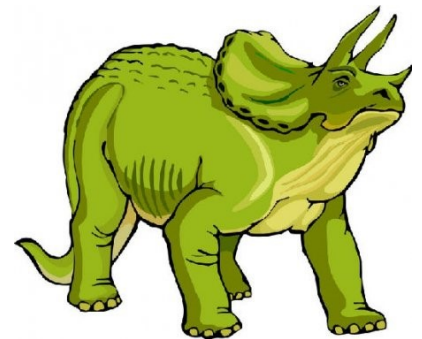

July 16th - July 27th

Performances: July 28th (11 am & 2 pm)

Ages Rising 3rd graders & Up 9AM - 4PM

Based on the wildly popular children's literary series "The Magic Tree House", this full production camp immerses the camper in all aspects of producing a show, from designing the set to learning the music, choreography and culminating with 2 public performances for the community. This is a great "starter camp" for the child that has always wanted to participate in a show but has not had the time or courage to get on the stage!

\$350 (includes morning and afternoon snack)
